

*In
Memoriam*

MR. PAUL MONTGOMERY CARMAN

In reverent remembrance of a dedicated teacher, who has made our days and years at Conniston a rewarding experience. Our lives are better for having known him. His memory will stay with us forever.

March 20, 1961

Dedication

Just as it takes many spokes to make a wheel, it takes many segments of support and balance to operate a school. A vital part of Conniston Junior High is

MRS. RUTH LOCKMAN

our soft spoken, understanding secretary. A person must have talent to earn and to deserve the admiration of youth. You, Mrs. Lockman, possess that ability.

For your loyalty to this school and all it represents, and for your diligence in the performance of the tasks allotted to you, and for the respect and friendship gained from our student body and faculty, we dedicate this memory book in your name. We trust that the pride it brings you will be lifelong.

The Students, Faculty, and Principal
of Conniston Junior High School

Our Administration

President's Message

" . . . TO THE SEVENTH GRADERS"

You have now entered a phase of your life which you will never forget. You have completed half of your school years. During these three years at CONNISTON, your lives will change greatly. Childhood will grow dimmer as you approach the realm of adulthood.

Use CONNISTON'S facilities wisely. Build a solid foundation. Approach the business world or higher education with confidence.

Great it is to believe the dream
When we stand in youth by the
starry stream
But a greater thing is to fight
life through
And say at the end "The dream
was true."

Edwin Markham

Principal's Message

"All the world's a stage, and all the men and women merely players . . ."

Shakespeare

A marvelous backdrop, fancy props, beautiful lighting, and a large receptive audience have been provided for all of us. Perhaps we may refer to these assets in a different way. We were born in America where a man may think and talk freely. We live a life of plenty, with no shortage of food or drink. We have available entertainment and education. What more do we need to help us be a success in life but the energy and ambition to be successful?

Shakespeare's words are true. Every word and every deed, Yes, every thought you have is on a stage for the world to see. You are the actor. Let each year be as a scene in the play of Life; and I wish for you many, many encores.
